

AP Report for 2010
(January 1 through November 13, 2010)

Dave Chance
AP Chair, Carolina Southern, Division 12

November 13, 2010

In 2009, five CS Division members have earned seven Achievement Program Certificates, and four members received their Golden Spike Certificate. In 2010 we have only had two members earn one Achievement Program Certificate each. We only have one member earn a Golden Spike Award this year. We have one member that is very close to earning his Author Certificate. I think he only has the paper work to be completed and submitted. We have one MMR, one member with 6 certificates, and four members with 5 certificates. The CS Division has earned 44 AP Certificates in all.

Two awards have been earned in 2010 and are as follows:

1. Ed Locklin --- Association Volunteer, March, 2010 first AP award!
2. Jim Allen --- Association Volunteer, September, 2010 fifth AP award!
3. Neal Anderson --- Golden Spike, November, 2010..... first award!

We have several members currently working on AP projects. If you are working on an AP project and not listed below, please let me know so I can add you to the list. Current projects include but are not limited to the following:

1. Dick Bronson -- Electrical Engineer and Civil Engineering.
2. Jim Allen --- Author and MB Locomotives.
3. Steve August -- Association Official, MB Cars
4. Jack Parker -- MB Cars, received Merit Award for boxcar at Milwaukee '75 Convention.
5. Dave Chance -- MB Cars, MB Structures, Civil Engineer, and MB Locomotives.
6. Ed Locklin -- Electrical Engineer.
7. Carl Baumgart --- MB Structures
8. Michele Chance --- Electrical Engineer, MB Structures
9. Seth Gartner --- Chief Dispatcher, Association Volunteer
10. Jim Thomas - Chief Dispatcher
11. Jerry Shepardson --- Scenery and Electrical Engineering

Several others have told me they are working on at least one AP project. Let me know if you need help with your project, from understanding the requirements to assisting with the paper work.

Send me an email or call me on the phone and we will schedule my help.
